## **Faculty of Science Executive Board of UZH** Departments of: Evolutionary Anthropology, Evolutionary Biology and Environmental Studies, Molecular Life Sciences. Paleontology, Plant and Microbial Biology. **Co-Directors** Quantitative Biomedicine. U. Grossniklaus & K. Shimizu **Coordination Office** Systematic and Evolutionary Botany M. Portmann (Program Coordinator) Functional Genomics Center Zurich **Steering Committee** C. Barbieri, U. Grossniklaus, **Faculty of Arts and Social Science** B. Keller. V. Schünemann. Department of Comparative Linguistics K. Shimizu, C. von Mering, **Bioinformatics Support** A. Wagner, Students' Institute of Philosophy D. Tanwar Representative **Faculty of Medicine** Institutes of: **Scientific Panel** Brain Research, K. Nelson Evolutionary Medicine. L. Keller Forensic Medicine. K. Schmid Medical Virology **Collaborative Research Projects Open Calls Public Outreach PhD Program** Seminars. **Assistant Professor** Evolution of Pathogens, Parasites, and **Evolutionary** Retreats. A. Roulin **Pathosystems Biology Workshops** Role of Polyploidy and Epigenetic Variation in Diversification and Adaptation Experimental Evolution and Modelling **External Research Collaborations**
